John
We here at HSI are doing our best to properly brand Homeland Security Investigations as the criminal investigations law enforcement agency that we are.

I note that we are identified as ICE (investigations) in your billing/budget projection spreadsheet. In the political environment in which we live, those three letters "ICE" are often seen as divisive and are often used by political persons to label HSI as something other than the criminal law enforcement agency it is..... impeding the valuable mission we provide for our community.

I would like that we be properly identified as HSI on your correspondence and billing documents

Hey John (or Pollyanna),

Thanks for getting back to me! I appreciate it. I was hoping that I could get a price quote/estimate that extends out 5 years so that I could award a purchase order with 4 additional options years. However, I clearly recall that last year that wasn't possible because your price quotes are based on usage rates and a few other things that cannot be predicted that far in advance. If that is still the case I just need you to tell me that now so I can make sure our program office knows what we are able to purchase.

I also remember that you verified that your office was the only provider of access (no other vendor options) to this database, which helped me to justify the award. I assume this is still the case?

Please get back to me at your earliest convenience, and thank you for your time!

Hello Edward,

The billing budget is based on usage of the Slets/CLETS system. I'm out of the office at the moment, but will send you the budget for next year. The Santa Clar. County SO is the SLETS/CLETS provider for Santa Clara County.

Thank you,

Hey John (or Pollyanna),

Thanks for getting back to me! I appreciate it. I was hoping that I could get a price quote/estimate that extends out 5 years so that I could award a purchase order with 4 additional options years. However, I clearly recall that last year that wasn't possible because your price quotes are based on usage rates and a few other things that cannot be predicted that far in advance. If that is still the case I just need you to tell me that now so I can make sure our program office knows what we are able to purchase.

I also remember that you verified that your office was the only provider of access (no other vendor options) to this database, which helped me to justify the award. I assume this is still the case?

Please get back to me at your earliest convenience, and thank you for your time!

Sheriff Smith,

We received a request for information from the County Counsel regarding ICE obtaining judicial warrants in order for Santa Clara County Jail to transfer custody of criminal aliens. I wanted to share our response with you so that you are aware that we have explained to the Counsel that obtaining judicial warrants for criminal aliens in order to facilitate transfer of custody to ICE is not the way to solve this issue. Dear Mr. Smith and Mr. Williams:

Thank you for letter dated April 16, 2019, seeking input regarding the consideration of an amendment to the County of Santa Clara (County) Board of Supervisors Policy No. 3.54 and the possible addition of a provision authorizing ICE transfers with judicial warrants. In lieu of completing the feedback form included with your letter, below please find discussion regarding the questions posed on the form.

In October 2011, the County enacted Board Policy No. 3.54, which prohibits County officials from honoring ICE detainers. As you point out, since October 2011 the County has not honored and currently does not honor, any requests from the U.S. Department of Homeland Security (DHS) Immigration and Customs Enforcement (ICE), including detainer requests¹, requests for notification of inmates' release dates, and requests to transfer inmates into ICE custody. Your letter purports to give ICE only one narrow option, i.e., either ICE obtain "a valid judicial warrant signed by a judge, or other valid court order" when requesting the transfer of a criminal alien from County to federal custody or the County will continue to decline to cooperate with ICE.

As a legal matter, Congress authorized DHS, not the courts, to issue administrative warrants for the arrest and detention of aliens who are subject to removal from the United States. Neither statutory nor constitutional law require a judicial warrant to comply with an

¹ As of April 2, 2017, ICE policy requires that detainers be accompanied by a signed administrative warrant issued under 8 U.S.C. §§ 1226 or 1231(a). *See* ICE Policy No. 10074.2 ¶¶ 2.4, 2.5, <https://www.ice.gov/sites/default/files/documents/Document/2017/10074-2.pdf>. That warrant—either a Form I-200, Warrant for Arrest of Alien (issued for aliens not yet subject to a removal order under 8 U.S.C. § 1226) or a Form I-205, Warrant of Removal/Deportation (issued for aliens subject to a final removal order under 8 U.S.C. § 1231)—is issued by an executive immigration officer and sets forth the basis for that officer's probable-cause determination. *See* 8 C.F.R. §§ 236.1, 241.2, 287.5 (describing officers who may issue such warrants and when).

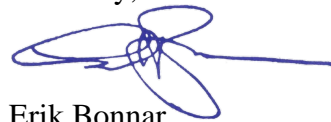

ICE detainer. The federal government has “broad, undoubted power over the subject of immigration and the status of aliens.” *Arizona v. United States*, 567 U.S. 387, 394 (2012). This includes authority to interview, arrest, and detain removable aliens. *See, e.g.*, 8 U.S.C. § 1226(a) (Secretary of Homeland Security may issue administrative arrest warrants and may arrest and detain aliens pending a decision on removal).

Moreover, as you may know, the Immigration and Nationality Act does not contemplate or provide for the provision of judicial warrants in the context of civil immigration enforcement. Nor is there a judicial process for ICE to obtain such warrants for civil immigration proceedings. Thus, as a practical matter, ICE does not have the ability to obtain a judicial warrant in the context of civil immigration proceedings.

My office certainly appreciates the desire of law enforcement officers in Santa Clara to cultivate and preserve the trust of the community it serves. That goal is achievable, however, without a policy that shields dangerous criminals from federal immigration-enforcement efforts. As the Bambi Larson killing sadly illustrates, Santa Clara’s policies declining to cooperate with federal immigration law make the community less safe. Please note that the reports of criminal recidivism rates for felons in California continue to remain “stubbornly high,” and averaged about 50 percent from fiscal years 2002-03 through 2012-13. *See* California State Auditor, California Department of Corrections and Rehabilitation, 2018-113, at 5 (Jan. 2019). Furthermore, as you may be aware, we have multiple examples where your County declined to honor ICE detainers where the individuals you released back into the community reoffended.

I urge you and the County officials to prioritize public safety and the rights of past and future victims, as opposed to providing sanctuary to serious and dangerous criminals who are in the United States illegally. In this regard, I welcome a dialogue with you to seek ways to further our common goal of enhancing the safety of our community.

Sincerely,

PAALALA TUNGKOL SA MGA KARAPATANANG INYONG MGA KARAPATAN

Lugar _____

Oras _____

Bago kami magtanong sa inyo, kailangang maintindihan muna ninyo ang inyong karapatan.

May karapatan kayong huwag magsalita, basta huwag kumibo, at huwag sagutin ang anumang tinatanong sa inyo.

Pakatandaan ninyo na kapag may sinabi kayo, 'yong sinabi ninyong iyon ay maaaring gamiting panlaban sa inyo sa korte.

Mayroon kayong karapatang kumunsulta at humingi ng payo sa isang abogado, bago ninyo sagutin ang aming itatanong.

Mayroon kayong karapatang magsama ng abogado, karapatan na may kasamang abogado habang tinatanong namin.

Kung hindi ninyo kayang kumuha ng abogado, dahil walang ibabayad, kung ibig ninyo, bago kami magtanong sa inyo, ikukuha namin kayo ng abogado at kami ang gagastos.

Kung inyo namang madisisyunan na, na summagot na ngayon sa mga itatanong namin kahit walang kaharap na abogado, may karapatan pa rin kayong tumigil sa pagsasalita at itigil ang pagsagot sa aming mga katanungan. Ipagpapatuloy na lamang pagkatapos ninyong makipag-usap sa isang abogado.

PAGPAPAWALANG BISA SA MGA KARAPATAN

Binasa ko na ang aking mga aking mga karapatang nakasaad dito, at naiintindihan ko ang mga karapatang ito. Pumapayag akong magsalita at sumagot sa mga itatanong sa akin. Sa mga sandaling ito'y hindi ko kailangan ng abogado. Naiintindihan ko at nalalaman ko ang aking ginagawa. Walang ipinangako sa akin, at hindi ako tinakot, at hindi rin ako pinilit na gawin ito.

Subject: SLETS Payments

Hello Nhan,

Hope this finds you well.

We have been making payments to your agency via EFT. I just want to check with you to see if you accept payments by charge card which is our preferred method of payment. If you do not, may I get a statement from you that your agency does not accept payments by charge card. The statement can be sent via email. We will then continue to process payments via EFT. Thank you.
